We are pleased to confirm details for the annual ***Southeastern Regional Motorcoach Operators Coalition Meeting***, hosted this year by the ***Virginia Motorcoach Association***. Meeting events are scheduled for **November 1-3, 2023** at the Delta Hotels by Marriott Chesapeake-Norfolk (*located at 725 Woodlake Drive, Chesapeake, VA 23320-8909*). The committee has created a great experience for you! Operators from the following states have been invited to participate:

Alabama	Arkansas	Florida	Georgia	Kentucky
Louisiana	Mississippi	North Carolina	South Carolina	
Tennessee	Texas	Virginia	West Virginia	

A special thanks to **Jo Slack** with ***Chesapeake CVB*** and the convention services team at the **Delta by Marriott**, led by **Brittany Snowden**, for their support of this meeting event and assistance in planning. See the registration form for instructions to reserve your room. **The room rate is \$119 plus tax per night.** Hotel Reservation Deadline: **October 2.**

Association leaders in the Southeast and South Central states have, for some time, thought it beneficial for state association Operator and SSP members to convene for the purpose of discussing common industry issues/concerns and attempt to address them collectively. The previous 21 southeastern regional meetings have confirmed the benefits of such a gathering. Collectively, we can accomplish more than any one of us can singularly.

The attached **Schedule of Events** outlines the offered sessions, and the accompanying **registration form** includes all the necessary sign-up details. Meeting registration deadline: **October 18.**

If you have questions or would like to discuss meeting plans in more detail, please give Linda Morris or Julia Isaacs a call at 434-376-1150.
